# Michael Kuehn

Web Developer

22 Pierson Dr.
Hockessin, DE 19707
**(302) 985-3802**
**devmpk@gmail.com**
**mpkuehn.com**

## EXPERIENCE

**WumDrop,** Cape Town, South Africa — *Development Intern*

January 2016 - March 2016

Highly educational experience working at a young startup. Tasks were diverse, including feature testing, setting up an internally hosted Rocket.Chat team speak site with a docker container, continuous integration testing via Jenkins.

**Jack Miller Center,** Wilmington, DE — *Technical Intern*

September 2013 - February 2014

Tasks included creating a web crawler to gather relevant news and information for monthly newsletter, troubleshooting technical issues and being the general "IT Guy" of the office.

## EDUCATION

**Wilmington University,** Wilmington, DE — *Computer Science*

December 2013 - August 2016

**University of Delaware,** Newark, DE— *General Studies*

September 2011 - December 2013

## PROJECTS

**Calculator** —*mpkuehn.com/projects/Calculator/calculator.html*

Fully functioning calculator. Display using HTML5/CSS3, functionality written with mostly Javascript and a little bit of jQuery.

**Simon Says** — *http://mpkuehn.com/projects/simon/simon.html*

Simon Says game. jQuery and JavaScript heavy.

**Wiki Viewer** — *http://mpkuehn.com/projects/WikiViewer/wiki.html*

Allows user to search Wikipedia in powerful and user friendly interface. MediaWiki API, HTML5, CSS3, JavaScript, jQuery.
